

Ground Instructor Certification Course

Certified Ground Instructor and Certified Ground Instructor-Instrument

Open the door to your aviation dreams and earn your ground instructor ratings: No other rating opens so many doors for you, both today and in the future!

No flight time is required in this course, and in 3 months you could be teaching the future of aviation, anywhere in the world!

At the completion of this course, you will be certified by the FAA to teach Private, Instrument, and Commercial Ground School.

Course Duration: 3 months

(Enrollment limited to 20 students at any given time, ensuring completion within this time frame, assuming full-effort and dedication from the student)

Upcoming Start Dates

- January 26th, 2009
- April 13th, 2009
- July 13th, 2009
- October 12th, 2009
